Colorado Springs Colo.

Dr. G. F. Black
Chicago Ill.

Dear Doctor Black.

I received the package of reports
this morning. Your letter inquiring if you had
enclosed your first copy came yesterday and I
hasten to reply that it was not in the
package. Just the four copies with the small
books & other details.

I have of course not read the report yet, merely
glanced through it and am struck at once by
the amazing amount of detail.

I shall place a copy of this report at once in
the hands suggested in your letter.

Dr. Stocum is still East and a press report lately
told of a sprained wrist while he was playing
tennis in Virginia I think.

I will take no more time now except to thank
you heartily for the report and your interest and
I will write again as soon as I have examined the

report and thought about it.
In the meantime every good wish to you.

Very Respectfully
Frederick S. McKay
